

BARAZORDA CUELLAR HECTOR

FRONTEND DEVELOPER

ABOUT ME

Hello, my name is Hector and I am passionate about technology and its transformative power in society. I have experience in software development for private companies and startups. I stay up-to-date on the latest trends and best practices. I enjoy facing new challenges and exploring new ideas. I am looking for opportunities to grow and improve my skills.

WORK EXPERIENCE

FRONTEND TRAINEE

FRONTEND DEVELOPER | DIGENIO PUBLISHER
APRIL 2021- NOVEMBER 2022 (8 MONTHS) **Peru**

- I contributed to the development of a single-page application (SPA) using React and Redux.
- I worked in a team with other experienced developers and learned development tools such as Webpack and Babel.
- I integrated external services to improve the application's functionality and optimized its performance and speed.
- I improved the user experience through progressive loading techniques and image optimization.

FRONTEND DEVELOPER

FRONTEND DEVELOPER | ENOVA E-COMMERCE
OCTOBER 2021- APRIL 2022 (7 MONTHS) **Peru**

- I develop components for e-commerce, using technologies such as React, VTEX and NEXT to build the user interface and functionality of the store.
- I integrated third-party systems to improve the store's functionality, such as online payment systems, shipping and package tracking, and data analytics.
- I collaborated as a team with other developers, which helped me learn and apply best practices in developing scalable and maintainable software.

FULLSTACK DEVELOPER

FULLSTACK DEVELOPER | AWTO CARSHARING
APRIL 2022- APRIL 2023 (1 YEAR) **Chile**

- I have worked on migrating a monolithic architecture to a microservices architecture, both on the frontend (React, Angular) and on the backend (NestJS, Typeorm)
